WRIT PETITION No. 23506 of 2005

ORDER:

The petitioner has filed the present writ petition seeking a direction, particularly in the nature of writ of Mandamus, to declare the inaction of the respondents to cause a detailed enquiry with a proper perspective of the G.O.Ms.No.223 (Agriculture & Cooperation Coop-IV Dept), dated 27.06.2005 as illegal and arbitrary and consequently, to direct the respondents to cause a detailed enquiry with a proper perspective of the said G.O.

Heard the learned Counsel for the petitioner as well as the learned Government Pleader for Co-operative Societies appearing for the respondents and perused the material available on record.

The copy of the G.O., which is under challenge, has not been filed before this Court. It is stated that the Government stayed the elections vide G.O.Rt.No.1030 Agriculture & Cooperative Department dated 20.10.2005 and subsequently, the Government revoked the G.O.No.1030 and directed the Commissioner for Co-operation and Registrar of Cooperative Societies, A.P., Hyderabad to conduct the elections. As the election process has already been commenced, it is not possible to issue a direction as sought for in the absence of the G.O. under challenge.

Accordingly, the writ petition is dismissed. No costs.
